Summer Newsletter

19/6/07

Just a few words to let you know what's going on and in the offing:

The Breathing Spaces Project at Low Bat is on target and in the process of producing a new leaflet which will give details of the reserve. As part of that publicity effort we are also planning to have an information tent at both the Wolsingham and Stanhope shows over the two weekends.

The people who are interested in the AONB Hayseed Project have asked if we can arrange a walk around the Ireshopeburn hay meadows. We are also planning a walk along the Rookhope Burn in July returning for lunch at the Cross Keys Eastgate.

So some diary dates.

If you can come along to the walks or help at the shows please let us know.

Ireshopeburn Walk 8th July

Meet at Ireshopeburn village hall at 10.30 on the 8th of July. The walk should take about 2 hours and we will return to the village hall for a buffet lunch. The cost of the lunch will be £4.50 which will include tea & coffee etc.

Rookhope Burn Walk - 29th July

Meet at the Cross Keys Eastgate Village for 10.30 on the 29th of July. The round trip will take about 3 hours with a short stop in Rookhope & Sunday lunch on return at the Cross Keys who have a choice of main courses for £5.95.

So that we have an idea of numbers please pre book for the walks.

TWET Annual BBQ: At Low Bat on the 11th of August starting at 2.30pm. All members welcome.

Show Dates: **Wolsingham** 1st and 2nd September with **Stanhope** 8th and 9th September.

Please contact myself at the address at the top of this newsletter or David Raymond on 01915172860 if you can help with these.

Best wishes,

Peter Stephenson
